YES TO A TOWN COUNCIL

Andover residents have voted overwhelmingly in favour of a town council. The recent survey, carried out by Test Valley in response to a 5,000 signature petition, showed over 60% of replies saying yes to the proposals and rejecting alternatives.

The question will be asked again in a second letter when residents will also be asked to approve a 19 member town council.

Andover Lib Dems have argued for a town council since 1988 and included it in their 2007 election manifesto. Local Tories have opposed and blocked the idea a number of times but some now accept there is a need and a demand for reform. The second letter is being sent out because opponents said the first survey was not conclusive.

We believe a town council is vital for the future of Andover and reject their claims about costs and bureaucracy. Please contact us if you are unsure about the proposals or arguments.

For the future of Andover send back your replies and **vote yes again.**

"I urge everyone who cares about Andover to read the consultation, listen to the arguments and reply so there's will be no disagreement about the results again."

Cllr Len Gates - Alamein ward

"The results show that Andover wants the same representation as the rest of Test Valley but supporters must **vote yes again** to confirm this."

ANDOVER'S HISTORIC BANDSTAND DEMOLISHED

Cllrs Mike McGarry and Len Gates at the bandstand

After several weeks debate during which Test Valley's story changed almost daily Andover's Vigo Road bandstand has been demolished.

The decision was approved by cabinet members without reference to local councillors or the public. Claims the building was unsafe were shown to be false and last minute attempts to save the building by councillors were over-ruled.

Lib Dem councillors did manage to monitor the dismantling, and ensure historic parts of the building, including a previously unnoticed engraved beam were salvaged.

Speaking afterwards Cllr Len Gates said "Unfortunately the building needed removing, but not now and not in this way. The people of Andover are entitled to an explanation and a suitable replacement."

Tom McCann has been selected as Lib Dem Prospective Parliamentary Candidate to challenge the Tories in NW Hampshire.

Tom is an experienced campaigner who has spent over 14 years as a local councillor.

Over the next months he will be out meeting the people of Andover and campaigning on local issues.

RENDEZVOUS COSTS SCRUTINISED

The costs of the Rendezvous and Guildhall are to be investigated by the council's Scrutiny Committee. Cllr Len Gates has tabled a list of questions on the set up costs, income and maintenance of the two buildings.

"The proposed letting of the lower Guildhall and underuse of the Rendezvous is becoming an embarrassment and needs investigation" he said.

FLUORIDATION LATEST

Last year Test Valley backed calls from Lib Dem councillors led by Len Gates to reject fluoridation of local water supplies. Despite this and massive opposition from across Hampshire the health authority voted to go ahead with the plans.

Shadow Health Minister Sandra Gidley has condemned the decision and joined objectors to deliver a 15,300 name petition to Downing Street.
