Have your say about glass recycling

Over the last two years glass recycling has proved popular in Test Valley - most areas need more local neighbourhood collection points to meet ever increasing demands.

We would like you to tell us where you think these new glass collection points could be.

- 1.
- 2.
- 3.

Or

Would you prefer to have your glass collected from your doorstep.

Yes No

Or

I am happy with the way we recycle now
